ABOUT US

We are one of the UK's quality assured removal companies that combine specialisation with total commitment to providing a professional and personalised service, which is why thousands of families and individuals have entrusted Central Moves with their home removals, furniture removals and personal effects.

Testament to our success is the number of corporate clients whom continue to choose Central Moves and refer us to their families and friends.

All this stems from our friendly staff and simple belief that the easier we make the move for you, the more successful it will be. This is achieved through our dedication to ensuring the varying needs of our clients are not just met but exceeded.

Central Moves are members of:

- Association of Independent Movers (AIM)
- The Furniture & Home Improvement Ombudsman
- Simply Shredding – Secure confidential documentation disposal.

We are holders of the BS EN 12522 British domestic removals standard.

These awards are recognised as the highest in our industry throughout the European Community.

OFFICE MOVING

Moving your business can be stressful at the best of times and it can be made even worse if your selected removal company doesn't do their job to the standard you deserve.

Here at Central Moves we have a flexible and organised approach to help get you up and running as quick as possible, fitting your requirements and time restraints.

We can provide crates for packing in advance of the move along with a professional packing service with only the best materials for your business.

Weekend moves are available to help minimise disruption, technicians on hand to help dismantle and move specialised or ad hoc furniture and a highly skilled and experienced team that work to a floor plan.

SHREDDING SERVICE

Central Moves offer a confidential & secure shredding service to dispose and destroy a range of documentation and data such as employee information, bank statements, voided cheques and other financial statements for a variety of businesses and members of the general public.

We provide an eco-friendly option to dispose of your documents while also maintaining GDPR compliance through-out. A certificate of destruction is produced once the documents or data have been destroyed for your total peace of mind.

As a branch of 'Simply Shredding' we also donate to the Woodlands Trust, a trust which plants two native oak trees every year as part of our 'circle of life' programme.

COMMUNITY VALUE

Our business directly affects the local community and all staff are encouraged to interact and contribute to the wide variety of social and economic classes.

Our employees actively participate in Local sports teams, community centres and schools in their spare time.

The relationships built by our commitment to our community are longstanding and goes beyond simple donations of food, furniture or other household items.

Central Moves regularly provides our services to local charities such as Little Village HQ offering our time to distribute vital donations to families in poverty.

HOW WE DISPOSE OF WASTE

Central Moves regularly visits recycling plants to remove our clients waste instead of disposing household items at local landfills.

We believe in contributing to positive social, economic and environmental benefits by avoiding landfills as much as possible.

We work towards a circular economy to help minimise waste and to re-use and recycle all of our own materials.

“Central Moves packed my furniture, dismantled and assembled my beds and when I decided I no longer wanted my wardrobe they disposed of it for me, 100% recommend!”
